

Isagenix FiberPro™

Isagenix FiberPro™ is a revolutionary new fiber supplement that contains a blend of five plant fibers, prebiotics, probiotics, citrus bioflavonoids and nutritious Ionic Alfalfa™. It helps to strengthen your digestive and cardiovascular health* while improving nutrient absorption and your body's natural ability to cleanse impurities.* FiberPro can greatly enhance your Nutritional Cleansing and total health and wellness lifestyle.

Why Is Fiber Important?

A daily intake of 25 to 35 grams of fiber can provide long-term support for optimum health.*

Who Needs Fiber?

Everyone! Less than 10 percent of Americans get their recommended daily intake of fiber. All adults interested in promoting digestive and heart health should consider fiber supplementation.

What Makes FiberPro Unique?

It is the combination of multiple fiber sources—including prebiotic fiber—along with six strains of probiotics and citrus bioflavonoids that makes FiberPro unlike any other fiber supplement on the market today. Additionally, because FiberPro is fully soluble and flavorless, this advanced formula is easy to incorporate into the things you already eat. It will dissolve into any liquid and you can cook with it! FiberPro is the perfect supplement to help fill the gap between the amount of fiber you are getting and what you should be getting.

What Benefits Does FiberPro Provide?

Gentle Cleansing

- FiberPro encourages regularity with insoluble fiber that gently cleanses the digestive tract and colon, and soluble fiber that absorbs and eliminates impurities.
- By helping to eliminate impurities, FiberPro aids Nutritional Cleansing.

Improved Digestive Health*

- The probiotics in FiberPro repopulate the colon with healthy bacteria and help reduce the number of unhealthy bacteria for improved digestion.*
- The prebiotic fiber in FiberPro feeds the healthy bacteria and helps it to grow, which aids in nutrient absorption.

Improved Heart Health*

- The soluble fiber in FiberPro supports cardiovascular health.*

Weight Management Support

- FiberPro adds an additional 5 grams of fiber per serving for a greater feeling of fullness, which helps to curb appetite.

Additional Support

- The fiber in FiberPro helps regulate blood sugar by slowing the absorption of carbohydrates for diabetes support.*
- With an increase in fiber, FiberPro supports prostate health.*

Directions - Stir 1 scoop in your beverage of choice daily. Store in a cool, dry place.

Frequently Asked Questions

How do I use FiberPro?

As part of your Isagenix® system, take one to two servings daily. Each serving adds 5 grams of fiber to help you fill the gap in getting the recommended daily amount of fiber. For each serving, stir 1 scoop into your beverage of choice. It will dissolve in any liquid, including water, juice, yogurt, IsaLean® Shakes and Soups and even Cleanse for Life™! You can also get creative with it and add FiberPro to your cooking and baking!

Why do I need FiberPro?

More than 95 million North Americans suffer from recurring digestive problems that can be easily alleviated by including enough prebiotic fiber and probiotics in the diet. The advanced formulation of FiberPro and its fully soluble form make it an ideal way to incorporate supplementation of these key nutrients into your daily routine.

How does FiberPro enhance Nutritional Cleansing?

By gently enhancing regularity and increasing the removal of impurities, FiberPro is an ideal addition to Nutritional Cleansing and any total health and wellness lifestyle.

How much fiber should I be getting daily?

Studies indicate that adults should have a daily intake of 25 to 35 grams of fiber. The five grams of fiber in every serving of FiberPro help close the gap on this deficiency and complement the fiber you receive from IsaLean® Shakes and Soups.

Can FiberPro help me if I have Type 2 diabetes?

Research performed by the American Diabetes Association reveals that certain fibers may help in managing Type 2 diabetes by helping to slow the absorption of carbohydrates. Please check with your doctor.

How can FiberPro help gastrointestinal and colon health?

FiberPro promotes bowel regularity and promotes cleansing of the colon.*

How can FiberPro help me with weight management?

FiberPro promotes the feeling of being full that can help curb appetite.

Can I take FiberPro and IsaFlush!® at the same time?

Yes. FiberPro and IsaFlush!® work in partnership to help promote bowel movement regularity and colon health.* IsaFlush!® provides magnesium to help relax the colon, peppermint to help calm the digestive system and bentonite and black walnut hulls to absorb and eliminate impurities.* FiberPro includes soluble fiber to promote regularity and insoluble fiber to absorb impurities which increases the cleansing action.

Can I take FiberPro and Multi-Enzyme Complex together?

Yes. These products work in conjunction to promote overall improved digestive health.*

Is FiberPro safe for children?

Yes. Children should take half a serving of FiberPro daily to encourage good digestive health.*

Is FiberPro gluten and lactose free?

Yes.

What are bioflavonoids?

Bioflavonoids are natural substances known for their antioxidant potential.

How can I use FiberPro with other Isagenix® products to increase my fiber intake?

Adding one serving of FiberPro to an IsaLean® Shake delivers 12 total grams of fiber. One serving added to an IsaLean® Soup delivers 9–10 total grams of fiber. Plus, one serving of our SlimCakes® will add an additional 9 grams of fiber!
