Here are frequently asked questions concerning the IsaDelight™ Value Pak Promotion—

Q How do I summarize how the IsaDelight™ Product Introduction Bonus (PIB) and Bonus works?

A IsaDelight™ PIB
Earn a \$10 PIB for each of your new, personally enrolled Associates who purchases a 120-count Value Pak at the time of sign up.

IsaDelight™ Bonus
Earn a \$10 bonus for each of your personally enrolled Associates who purchase a 120-count Value Pak and are on a qualifying Autoship (100 BV minimum). To be eligible for this bonus you must be on a qualifying Autoship as well and have purchased a Value Pak in the last 30 days. The Value Pak doesn't have to be purchased on Autoship. This promotion runs through March 31, 2008.

The IsaDelight™ Value Pak has been created to allow you enough product each month for personal use and to provide as samples.

Q What does a qualifying Autoship mean?

A You must have a minimum of 100 BV. Both you and your personally enrolled Associates must be on a qualifying Autoship to be eligible for the \$10 IsaDelight™ Bonus.

Q Does my Autoship have to include an IsaDelight™ Value Pak to be eligible for the \$10 IsaDelight™ Bonus?

A No. If you already have a monthly Autoship with a minimum of 100 BV, you can simply purchase an IsaDelight™ Value Pak every 30 days to be eligible.

Q Can I change my Autoship to include the Value Pak and become eligible for the bonus?

A Yes. You can include the IsaDelight™ Value Pak in your present Autoship order. However, you will not be eligible for the bonus until after your Autoship processes.

Q Could my Autoship be just the IsaDelight™ Value Pak?

A Yes, its point value is 100 BV, which would qualify you to be active and eligible for the IsaDelight™ Bonus.

Q If I sign up a new Associate and they purchase an IsaDelight™ Value Pak as part of their joining order, would they be eligible even though their first Autoship has not shipped?

A Yes. Isagenix® has created an IsaDelight™ Value Pak option that earns both a PIB and satisfies eligibility for 30 days as long as the new Associate creates an Autoship at the time of their enrollment. If they purchased the Value Pak on their Autoship, they would not be eligible until their Autoship processes.

Q If I'm eligible and I sign up a new Associate who purchases an IsaDelight™ Value Pak, what would I earn?

A You would earn a \$10 PIB.

Q Once I am eligible, how can I continue to receive the IsaDelight™ Bonus?

A You must remain on a qualifying Autoship and order an IsaDelight™ Value Pak every 30 days on Autoship or as part of a separate order.

Q On whom do I earn the IsaDelight™ Bonus?

A You will receive a \$10 IsaDelight™ Bonus each time one of your personally enrolled Associates, who is also on a qualifying Autoship, orders the IsaDelight™ Value Pak.

Q If I'm eligible and one of my personally enrolled Associates orders multiple IsaDelight™ Value Paks, do I get a \$10 bonus each time?

A Yes. For example if they order three IsaDelight™ Value Paks, you'll earn \$30.

Q When is the bonus paid?

A The bonus is earned in the week of purchase and paid within one to two commission periods.
