INSTRUCTIONS

Establish the Habits to Help You Stay Healthy, Clean and Lean for Life!

Nutritional cleansing can help you improve wellness, boost energy and help you reach your ideal weight.

Use the 30-Day Cleansing System to help you experience the benefits from cleansing your body and infusing nutrients to help support healthy fat burning, boost your energy level and achieve optimum health for life!

PRE-CLEANSE DAYS (2 DAYS PRIOR TO CLEANSE)

If this is your first time cleansing, ease into it with one Pre-Cleanse day. Watch the “Cleansed for Life” DVD included in your System.

- Replace two meals with two IsaLean® Shakes for two days prior to Cleanse Days.
- Eat one sensible meal of 400–600 calories.

CLEANSE DAYS (4 DAYS MONTHLY)

SUCCESS TIP

PRE-CLEANSE DAYS ARE A GOOD TIME TO REDUCE ANY CAFFEINE, ALCOHOL, CIGARETTE AND/OR SUGAR CONSUMPTION.

WHAT CAN I EXPECT FROM NUTRITIONAL CLEANSING?

Making nutritional cleansing a regular practice can provide a lifetime of benefits. Your body is allowed to rest, rebuild itself and eliminate what's not healthy, which helps you feel energized, cleaner and leaner.

WHAT IF CLEANSING IS TOO DIFFICULT FOR ME?

The most important thing about every Isagenix® System is getting our products into your body. If you're not able to go a full day without eating, do a modified Cleanse by eating a small salad as lunch, or munching on organic cherry tomatoes as a snack.

WILL I EXPERIENCE ANYTHING UNDESIRABLE DURING NUTRITIONAL CLEANSING?

First-time “cleansers” may experience mild headaches (a common caffeine withdrawal symptom) and/or constipation. Take *IsaFlush!*® and drink plenty of water to promote regularity. If symptoms persist or an allergic reaction occurs, please discontinue products and see a doctor.

WHAT IF I MISS A CLEANSE DAY?

That's fine—just cleanse on the next possible day.

WHAT IF I NOTICE A FEW POUNDS CREEPING BACK ON?

Immediately get on a regular cleansing schedule, cleansing 2–4 times monthly.

WHAT SHOULD I INCLUDE AS PART OF MY SENSIBLE MEALS?

Plan to make each calorie count through nutrient-dense foods. See the menu suggestions in this guide.

CAN I ADD OTHER INGREDIENTS TO MY ISALEAN® SHAKE?

IsaLean® Shakes taste great with fruit; just watch the extra calories. You can also add IsaFruits® for extra antioxidants or IsaPro® for extra protein.
