

Isagenix® Autoship Rewards Program

Frequently Asked Questions

Q What is the Isagenix® Autoship Rewards Program?

A It's a special program designed to reward Isagenix® Associates for being on Autoship and encouraging their personally enrolled Associates and Preferred Customers to do the same.

Q How do I qualify?

A You and your personally enrolled Associates or Preferred Customers must be on Autoship with a minimum of 100 BV or more in the last 30 days.

Q What are the rewards?

A **Cash** - You will receive \$10 each month for each of your qualified personally enrolled Associates or Preferred Customers who are on Autoship.

Health & Wellness - It provides the convenience of receiving Isagenix® products monthly without having to manually place an order.

Active Status - An Autoship order of 100 BV or more automatically qualifies you as active and eligible to accumulate volume and participate in the Isagenix® Team Compensation Plan.

Q If my personally enrolled Associate or Preferred Customer has more than one Autoship order within a 30-day period, would I receive a \$10 Autoship Reward Bonus for each order?

A You are only eligible to receive the \$10 bonus once for each qualified Associate or Preferred Customer within a 30-day period.

Q When is the bonus paid?

A The bonus is earned in the week of the order and paid one week in arrears (next commission period).

Q What is the best way to summarize how the program works?

A Qualify yourself and you will earn \$10 each month for each one of your personally enrolled Associates or Preferred Customers who has an Autoship order of 100 BV or more shipped.

Q Is this a change to the Team Compensation Plan?

A No. This is a special rewards program to encourage and reward Associates for being on Autoship.

Q If I have Associates or Preferred Customers who I personally enrolled prior to May 1, can I earn the \$10 bonus on their Autoship order?

A Yes, as long as you are personally qualified with your own Autoship order of 100 BV or more, which has shipped within the prior 30 days of their order.

Q Is there a limit to the number of personally enrolled Associates or Preferred Customers on which I could earn the \$10 Autoship Reward Bonus?

A No.

Q If I have a personally enrolled Associate or Preferred Customer who orders an IsaDelight™ Value Pak as part of their Autoship order, can I earn a \$10 IsaDelight™ bonus on top of the \$10 Autoship Rewards Bonus?

A No. The IsaDelight™ Bonus promotion expired on April 30 and was replaced by the \$10 Autoship Rewards Bonus. Note: You can earn a \$10 PIB on Associates or Preferred Customers who purchase an IsaDelight™ Value Pak at the time of enrollment.
